Insurance for Volunteers

We are aware that there may be some confusion amongst our volunteers regarding insurance. We therefore wish to clarify the position.

We are pleased to state that all our volunteers, of whatever category, are insured. The Insurance policy covers NW volunteers if they cause accidental injury to a third party, or accidental damage to the property of a third party, whilst they are carrying out NW activities.

There is also a small amount of personal accident cover but this only covers street coordinators.

The policy is due to be renewed at the end of March 2020. If any significant changes are made we will ensure that all our volunteers are informed.

Should you wish to obtain further information you can access the policy and the answers to a number of frequently asked questions at <https://www.ourwatch.org.uk/knowledge/public-liability-insurance/>
